

Welcome Letter

We hope the information that follows will serve to illustrate what the Oradel Industrial Center has to offer, while at the same time enumerating the strategic benefits we can deliver to companies focussed on maximizing the potential of their twin plant operations along the U.S.-Mexico border.

located in the heart of the "TwoLaredos" - directly astride North America's most important north-south transportation artery the Oradel Industrial Center with its U.S. - style infrastructure and built-to-suit and inventory buildings, is able to deliver the kind of competitively priced, quality product that is not only expected, but demanded, in a "world-class busines enviroment"

If you're currently trying to determine the "pro's" and "con's" of setting up a manufacturing or logistics operation in Mexico - please, give us a call. You'll find yourself talking to a team of experieced professionals who speak your language, and have the know how to provide you with the answers you've been looking for.
